HAN KYU for Attending the 2022 GATHERING of the PAI

Gathering of the Pai 2022

Evening of June 24 and all day June 25

What to expect while at the Hualapai Youth Camp Location

We wish to welcome everyone that will be attending the upcoming Gathering of the Pai 2022, hosted by the Hualapai Tribe at the Hualapai Youth Camp near Peach Springs, Arizona. The Hualapai Youth Camp is 26 miles north of Peach Springs on Route 18 heading to Havasupai Hilltop tribal lands. The area is very dense with trees and will be under a restricted No Fire notice, Stage 2.

Please be aware that the Gathering of the Pai is a one-day event this year as a reopening for our gatherings and social events after two years of absence due to Covid-19.

THIS IS AN ALCOHOL FREE, DRUG FREE, WEAPONS FREE EVENT, NO EXCUSES

1. On arrival, each person will have their temperature taken for safety precaution from their car and hand stamped as proof of entry. We will follow the CDC guidelines for managing Covid-19 and the other variances. Our Covid respond people will be on hand, if we have any issues. There will be hand wash stations in handy locations for everyone to wash and sanitize their hands. The Gathering of the Pai 2022 is outdoors, so we will be in an open air environment. We will be serving food that will not be congregating in a specific location, but will be served from the kitchen mess hall then eaten where ever you are comfortably seated around the pavilion
2. Please bring your own lawn chairs, and other supplies, such as water, sunscreen, canopy in order to be comfortable for the day.
3. If you are going to stay overnight at the Youth Camp grounds, you will need to bring your own camping gear. You will be assigned a campsite. The night time temperatures can be cool, so bring warm attire for evening. Since there will be no open fires, or camp fires, you will need to bring flash lights. We will have staff on hand and security for everyone's safety. Camping will be for the night of June 24th. The Gathering of the Pai 2022 will only be one full day of June 25, after our evening meal we will start closing the event, without security or food accommodations we will not have camping after the 25th.
4. The Hualapai Tribe is in a Stage 2 Fire Restriction. For all safety and protection of the forest and everyone at the Youth Camp, all fire restrictions will be enforced. The fire restriction will be posted, as well as information of escape route and following all fire precautions. We made a decision early in our planning that we would continue with our Youth Camp location, so that everyone would be able to enjoy the beauty and the great outdoors of the Hualapai Tall Pines in tradition of our lifeways. We want everyone to enjoy the Gathering, with your help and following these restrictions, it will be a success.
5. This event is an alcohol free, drug free, weapons free event.
6. We will have security on hand to prevent any harm or damage to property. If you are going to have equipment or items for demonstrations or entertainment, these things will be safe.

We are excited to see everyone coming together again, after two years of absence due to Covid-19. Please stay safe, and follow all protocols so that we can do this again. See you at the Gathering of the Pai 2022. If you have any questions, please feel free to call the Hualapai Cultural Center at (928) 769-2234.

- Be sure you are at the correct polling place so that you don't stand in line unnecessarily.
- Use your sample ballot to pre-mark your choices; bring it with you to the polls and simply transfer your selections to the official ballot once you are in the polling place.
- Update your registration whenever you move so that your information will be correct in the Signature Roster.

ID PROVISIONS FOR AMERICAN INDIANS

Tribal IDs are an acceptable form of ID to vote at the polls. Depending on the type of tribal ID, another form of ID may be needed. Check with your Tribe or tribal subdivision to see if other forms of ID, other than your tribal enrollment ID, are acceptable to use when voting at the polls. These could include a voter registration card for tribal elections, or a home site assignment lease.

First Things First - Hualapai Region • Parents Playbook Breaks Down the Game Plan for Parenting

First Things First's Parents Playbook breaks down the gameplan for parenting

Even a little bit of parents' focused attention goes a long way with a young child.

Arizona's early childhood agency, First Things First (FTF) has produced a series of videos designed to deliver highlights and in-game parenting analysis for dads, moms and grandparents.

These short videos take the format of a sports news television program, but the players are babies, toddlers, preschoolers and their families.

Parents and caregivers who visit FTF's [Parents Playbook](https://www.firstthingsfirst.org/resources/parents-playbook/) page at <https://www.firstthingsfirst.org/resources/parents-playbook/> will find a variety of parenting topics such as how to make the most of quality time with your child.

Time is tight for most parents, but early childhood experts remind families that just a little of your focused attention goes a long way with a young child. The short video explains why and breaks down a game plan:

- Follow your child's lead.
- Get down on their level.
- Give them your attention and encouragement.
- Make it a back-and-forth contest.
- Keep it fun and show them the love.

"Parenting is a forever learning process, and all parents want to do the best they can," said Kat Willard, FTF's senior director for family support and literacy. "The latest research tells us that when parents make time to connect with their child through everyday moments it helps the child learn how important and cherished they are."

Research also shows that today's moms and dads turn to online content, especially videos, when looking for guidance on parenting. The videos remind parents that raising a young child comes with both joys and challenges, and no parent is perfect. But FTF is there to help families do their best in guiding their children's healthy development.

New Book of Hualapai Site Words Available for Free for Families of Babies, Toddlers or Preschoolers

A new book in the Hualapai language is available for families with children birth to age 5. The book, which is free, is funded through the First Things First Hualapai Tribe Regional Partnership Council and is available for parents to pick up at the Hualapai Day Care Center. Parents can pick up a book, even if parents don't have a child enrolled at the center. The book is based on site words with names of animals, colors and numbers, all in the Hualapai language. Drake Havatone, a local artist with the Hualapai Cultural Center, created the art for the first book.

How AHCCCS Is Planning for the End of the Public Health Emergency

In March 2020, the federal government declared a national "public health emergency" (PHE). With it, AHCCCS was required to suspend disenrollments for most members (unless they moved out of state, aged out of KidsCare, voluntarily disenrolled, or died). Disenrollment suspensions will remain in place until the end of the federal PHE. While AHCCCS expects that the federal government will again extend the existing PHE past the current termination date of April 16, it is unknown for how long it may be extended. The federal government has indicated that it will provide states at least 60 days notice prior to the end of the PHE.

Once the PHE ends, AHCCCS is required to reinstate its standard redetermination processes and disenroll individuals who no longer meet eligibility criteria. If members continue to meet eligibility requirements, their Medicaid coverage will be renewed for another year. Approximately 75 percent of renewals are completed automatically without involvement from the member or a state worker. Members will receive a letter from AHCCCS informing them that their coverage has been continued, ended, or that additional information is needed from them in order to determine eligibility.

To ensure that members do not experience any gap in health care coverage, AHCCCS asks all members to:

1. Ensure that their mailing address, phone number, and email address on file is correct in www.healthearizonaplus.gov, or by calling Health-e-Arizona Plus at 1-855-HEA-PLUS (1-855-432-7587), Monday through Friday 7:00 am - 6:00 pm.
2. Check their mailbox for a letter from AHCCCS about renewal of coverage.
3. Respond to any requests from AHCCCS for more information so the agency can accurately determine eligibility.

For more help, members may contact their health plan or a community assistor organization. There are over 200 community assistor organizations across the state who can help individuals navigate the Medicaid or CHIP (the Children's Health Insurance Program, called KidsCare in Arizona) renewal process. Health plan member services departments can assist as well. AHCCCS members can find the number for their health plan's members services department on their member ID card or on the AHCCCS Available Health Plans web page.

After the end of the PHE, individuals who no longer qualify for AHCCCS may have other health care coverage options such as coverage through the Health Care Marketplace. More information about the Marketplace can be obtained at HealthCare.gov or by calling the Marketplace Call Center at 1-800-318-2596 (TTY: 1-855-889-4325). Children who no longer qualify for Medicaid may be eligible for KidsCare.

# Hualapai Early Childhood Home Visitation

## Meet the Team

*Allysa L.*

Home Visitation Educator

Greetings everyone!

I'm Allysa Leist and I started working with the Hualapai Early Childhood Program in April 2021. I was born and raised in California, and once I graduated high school I enlisted in the Marine Corps. That is where I met my husband, and we have two babies together. After my active service was up we moved here, this is where my husband is from.

I enjoy serving the Hualapai community!

*Cassi M.*

Home Visitation Educator

Allow me to introduce myself, I'm Cassi!

I work with the Hualapai Early Childhood Program. I have been with this program for a little over a year. I have worked for the Tribe since I was 15 years old, so a total of 23 years. I'll let you do the math!

I was born in Prescott, AZ and raised in Truxton, AZ. In this small cowboy town you'll find one church that my dad has pastored since 1980. My happy place is with my family, I have three siblings, one nephew and one niece, five dogs and one kitty. Yes, my animals are my family, as I am known as "The Crazy Dog Lady"

I enjoy cooking and singing my heart out while cooking.

*Yanelly M.*

Home Visitation Supervisor

Hello, everyone!

A couple things about myself are I enjoy hiking the Hualapai Mountains with my 2 gentle giants-dogs, and drawing and painting. I've been with the Hualapai Early Childhood Program for four (4) years, and the Supervisor for one (1) year.

Home visiting has been rewarding and challenging.

Being a home visitor means making those genuine connections with each parent and supporting them in their journey of parenthood. It truly is an honor to be a part of the child's first five years of life and experience not only their milestones but the parents' as well.

*"Parents create the environments and experiences in which learning happens, which makes them the first teachers their children will ever have."*
